Notes:
All proposed developments are subject to change and planning approval.
Proposed Health & Medical Care (eg. Nursing Home) subject to change and planning approval.

LEGEND:
- Contracts with Standard Flats
- MRT Line & Station
- Proposed Road

The information contained herein is subject to change at any time without notice and cannot form part of an offer or contract. The proposed facilities and their locations as shown are only estimates. The proposed facilities may include other ancillary uses allowed under URA’s prevailing Development Control guidelines. For example, pieces of property may also include colonnades as an ancillary use, while community centres may also include children’s centres. The implementation of the facilities is subject to review by the Government or competent authorities. While reasonable care has been taken in preparing this information, URA shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.
The information contained herein is subject to change at any time without notice and cannot form part of an offer or contract. The proposed facilities and their locations as shown are only estimates. The proposed facilities may include other ancillary uses allowed under URA’s prevailing Development Control guidelines. For example, places of worship may also include columbarium as an ancillary use, while community centres may also include childcare centres. The implementation of the facilities is subject to review by the Government or competent authorities. While reasonable care has been taken in providing this information, HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.
