The information contained herein is subject to change at any time without notice and cannot form part of an offer or contract. The proposed facilities and their locations as shown are only estimates. The proposed facilities may include other ancillary uses allowed under URA’s prevailing Development Control guidelines. For example, places of worship may also include columbarium as an ancillary use, while community centres may also include childcare centres. The implementation of the facilities is subject to review by the Government or competent authorities. While reasonable care has been taken in providing this information, HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.

You are advised to visit HDB's website at [www.hdb.gov.sg](http://www.hdb.gov.sg) for information on renovation rules.

The plans and information in this brochure are the copy right of the Housing & Development Board (HDB), Singapore. The HDB reserves the right at any time without notice and at its sole discretion, to change any aspect of this project including but not limited to the omission, amalgamation of or increasing or reducing the communal facilities and amenities. All art rendering, illustrations, pictures, photographs and other graphic representations and references are artist’s impression only. Similarly, all dimension, areas, plans colour schemes, descriptions and specifications noted herein are subject to change or alteration without notice if required by the Competent Authority or at HDB’s sole and absolute discretion. The HDB will not entertain any request for alteration of the layout or specifications of a flat, to meet individual needs. The void deck in any apartment block may subsequently be used for facilities, such as child care centres, education centres, resident’s committee centres and such other facilities as HDB shall deem fit.

The Floor Areas are scaled Strata Areas
