Distinctive design

Located at the junction of Choa Chu Kang Way and Choa Chu Kang Avenue 1, Keat Hong Mirage comprises four 20-storey and four 22-storey residential blocks. Choose from 1,159 units of 3-, 4- and 5-room Standard flats.

To honour the unique heritage of the area as a former military camp, this development has been named Keat Hong Mirage. Inspired by the pixelated camouflage pattern used on the army uniform, the development features a series of pixel patterns in its façade and facilities. “Mirage” is an optical phenomenon that creates illusion, similar to camouflage.

And how about unwinding right at your doorstep after a hectic day at work? Keat Hong Mirage boasts recreational facilities for both the young and old. The playgrounds are where the active children will be running off to. Adults and the elderly can work out at the fitness stations designed for them. The precinct pavilions serve as ideal venues to mingle and chat with the neighbours. Those who seek quieter moments can head to the roof garden located above the multi-storey carpark. The proposed neighbourhood park next door is set to provide even more recreational options.

A Residents’ Committee Centre provides another spot for social bonding. Those with young children will appreciate the presence of a childcare centre within the development.
