Located along Hougang Avenue 9, Hougang Crimson consists of three 16-storey residential blocks, offering 314 units of 3- and 4-room Standard Flats.

Inspired by the red-bricked residential blocks commonly found in Hougang town, the facade of Hougang Crimson’s residential blocks feature red geometric patterns.
Inspired Living

In the heart of the development, you will find a lush central open space where a multitude of recreational facilities is located. These include the children’s playground, the adult and elderly fitness corners and the precinct pavilion. Residents can gather and interact in the green spaces and resting shelters provided. Another recreational venue is the roof garden atop the multi-storey carpark which holds the community garden and resting shelters.

With an eating house and shops to be located within the development, you will be able to shop and dine conveniently at your doorstep.
Optional Component Scheme

All units will come with floor finishes in the kitchen, household shelter, service yard and bathrooms. Wall tiles will also be provided in the bathroom and kitchen. For added convenience, you may opt in to have floor finishes installed in the living/dining room and bedrooms of your selected flat. You may also opt in to have sanitary fittings in the bathrooms - wash basin, water tap and shower mixer. These sanitary fittings, together with internal doors, will be offered as a package.

The cost of installing these optional components will be added to the selling price of the flat.
