Located along Jurong West Street 42, Spring Haven @ Jurong comprises three 16-storey high residential blocks and offers 478 units of 2-, 3- and 4-room Standard Flats.

The development is designed with pockets of greenery that offer respite for the senses. These green spaces lend inspiration to the name Spring Haven @ Jurong.
Fun with Facilities

At Spring Haven @ Jurong, children can have fun exploring the various play equipment at the children’s playground while adults and the elderly can keep healthy at fitness corners designed specially for them. A precinct pavilion is available within the development for group gatherings.

More spaces for relaxation and gatherings can be found at the roof garden above the multi-storey carpark. An open deck and community garden will be provided there for residents’ use.
