Angsana Breeze
A breath of fresh air

Angsana Breeze @ Yishun is bounded by Yishun Avenue 1 and Yishun Avenue 4. You can choose from 958 units of 3-, 4- and 5-room Standard Flats housed in nine 13-storey residential blocks.

Residents can look forward to relaxing amid lush landscaping within the development. The name Angsana Breeze @ Yishun relates well with nearby HDB developments such as Acacia Breeze @ Yishun and Oleander Breeze @ Yishun.
Living life to the fullest

At Angsana Breeze @ Yishun, you will be able to enjoy a wide range of facilities right at your doorstep. The children can have fun at the playgrounds, while adults and the elderly work out at the fitness stations. Alternatively, you can mingle and chat with your family and friends at the resting shelters and precinct pavilion. A roof garden above the multi-storey carpark serves as another venue for interaction and relaxation.

The development will come with a supermarket, an eating house and some shops, offering daily convenience right at your doorstep. Get to know your neighbours better at the Residents’ Committee Centre by participating in the social activities organised there.
Contemporary homes

Angsana Breeze @ Yishun offers 3-, 4- and 5-room Standard Flats. All units will come with three-quarter height windows in the living/dining area and half-height windows in the other rooms.

The flats will come with floor finishes in the kitchen, household shelter, service yard and bathrooms. Wall tiles will also be provided in the bathroom and kitchen. For added convenience, you may opt in to have floor finishes installed in the living/dining room and bedrooms of your selected flat. You may also opt in to have sanitary fittings in the bathrooms - wash basin, water tap and shower mixer. These sanitary fittings, together with internal doors, will be offered as a package.

The cost of installing these optional components will be added to the selling price of your flat.
