Moments to remember

BUILD-TO-ORDER SEP 2013
Gateway to the Matilda District

Matilda Edge is bounded by Sumang Lane and Punggol Way. The development comprises nine residential blocks ranging from 16 to 18 storeys in height and offers 1,330 units of 2-, 3- and 4-room Standard flats. One other residential block within the development is set aside for rental housing.

The name Matilda Edge is inspired by the historical Matilda House and also describes the development's location at the edge of Matilda district.
Bustling Activity Spaces

At Matilda Edge, recreational facilities such as fitness stations, a hardcourt, a playground and precinct pavilions will be within easy access as they are spread along the development’s meandering central spine. In addition, the rooftop garden found atop the multi-storey carpark will serve as the ideal spot for some quiet respite.

You may also head to the common green fronting the development, where you can enjoy more facilities such as playgrounds, adult and elderly fitness stations and rest shelters. Overlooking this common green will be a two-storey verandah designed to mimic the architecture of Matilda House. Quiet reading areas will be provided here so you can rest whilst enjoying views of the beautiful common green.

Shops, a Residents’ Committee Centre and an education centre will be provided within the development to offer more convenience to residents. A Senior Care Centre will also be set up to provide day care, dementia day care, day rehabilitation services, basic nursing services and other social services.
Eco-Friendly Living

Matilda Edge is designed to fulfil the vision of establishing Punggol as an Eco-Town. To support this vision, the development has numerous eco-friendly features:

- Sustainable and recycled products are used in certain parts of the development
- Separate refuse chutes are provided for recyclable wastes
- Motion sensor lights are installed at common staircases to reduce energy consumption
- A rainwater harvesting system is provided to store rainwater for washing of common areas
- Bicycle stands are provided to encourage use of these environmentally friendly forms of transport

Contemporary homes

Matilda Edge offers 2-, 3- and 4-room Standard flats. All of these flats come with three-quarter height windows in the living/dining area and half-height windows in the bedrooms.

The units will come with floor finishes in the kitchen, household shelter, service yard and bathrooms. Wall tiles will also be provided in the bathroom and kitchen. For added convenience, you may opt in to have floor finishes installed in the living/dining room and bedrooms of your selected flat. You may also opt in to have sanitary fittings in the bathrooms - wash basin, water tap and shower mixer. These sanitary fittings, together with internal doors, will be offered as a package.

The cost of installing these optional components will be added to the selling price of your flat.
