Ample greenery

EastLawn @ Canberra is bounded by Canberra Walk and Canberra Street. This development consists of three 13- to 14-storey residential blocks with 337 units of 4- and 5-room Standard Flats.

The name EastLawn @ Canberra is inspired by the development’s location at the eastern part of Sembawang town and the open lawn featured at the heart of this housing project.

(u/c) Under Construction
Relax amid a garden setting

The central lawn will provide visual relief to residents as they explore the picturesque landscape. Here, you can relax in the resting shelters and unwind after a busy day at work, while the young ones have fun at the children’s playgrounds. Adult and elderly fitness stations will also be available for those wanting to keep fit. Complementing these recreational facilities will be a precinct pavilion where group activities can be conducted.

More recreational options can also be found at the rooftop garden above the multi-storey car park. Here, you can mingle with your family and friends at the pockets of green spaces or exercise at the activity plaza. Those with green fingers can also enjoy gardening at the community garden.
Contemporary homes

EastLawn @ Canberra offers 4- and 5-room Standard Flats. All units will come with three-quarter height windows in the living/dining area and half-height windows in other rooms.

The flats will come with floor finishes in the kitchen, household shelter, service yard and bathrooms. Wall tiles will also be provided in the bathroom and kitchen. For added convenience, you may opt in to have floor finishes installed in the living/dining room and bedrooms of your selected flat. You may also opt in to have sanitary fittings installed in the bathrooms - wash basin, water tap and shower mixer. These sanitary fittings, together with internal doors, will be offered as a package. The cost of installing these optional components will be added to the selling price of your flat.

To provide a sense of spaciousness and greater flexibility in furniture layout and design, the flats will come with an open kitchen concept. You can carry out the necessary extensions to the electrical, water and gas points provided in the kitchen as part of your renovation plans. Alternatively, you may opt in to have a partition wall installed between the living/dining area and kitchen. The cost of this optional wall will be added to the selling price of the flat.
The coloured floor plan is not intended to demarcate the boundary of the flat.
The coloured floor plan is not intended to demarcate the boundary of the flat.
The coloured floor plan is not intended to demarcate the boundary of the flat.
