Located in Serangoon, Golden Ginger offers 150 Studio Apartments housed in a single 14-storey residential block. The name “Golden Ginger” lends inspiration to the yellow hues reflected in the development’s facade.
A relaxing sanctuary

The two-level garden deck within Golden Ginger serves as a hub for both active and passive pursuits. Here, you can work up a sweat at the adult and elderly fitness stations while the young ones have fun at the children’s playground. On the other hand, the precinct pavilion located on the ground floor serves as an ideal venue for group activities. Seniors can also visit the Senior Activity Centre to make friends and engage in regular social activities.

Alternatively, the resting benches and pergolas provided serve as ideal spaces where you can mingle with your friends or enjoy quiet moments amidst lush greenery. Those with green fingers can also enjoy gardening at the community garden.

For added convenience, a minimart and cafe will be provided within the development.
Eco-Friendly Living

To encourage an eco-friendly lifestyle, Golden Ginger is designed with several eco-friendly features:

- Separate chutes are provided for recyclable wastes
- Motion sensor controlled energy efficient lighting is installed at common staircases to reduce energy consumption
- Regenerative lifts are used to reduce energy consumption
- Eco-pedestals are used in bathrooms to encourage water conservation
- Bicycle stands are provided to encourage cycling as an environmentally friendly form of transport
- Sustainable and recycled products are used in the development

Charming Residences

Golden Ginger offers Studio Apartments which are designed specially to meet the needs of those 55 years old and above. Each Studio Apartment will be in a ready-to-move-in condition and furnished with a built-in wardrobe, floor tiles in the entire flat and wall tiles in the bathroom and kitchen, providing a hassle-free move-in process. Three-quarter height windows will be provided in the living/dining area and bedroom.

In addition, each Studio Apartment will come with a built-in kitchen cabinet with cooker hood and stove. Buyers can choose from two height options for the kitchen cabinet – default dimensions based on industry standard or lowered cabinets to suit the needs of wheelchair bound residents. For the convenience of residents, elderly-friendly fixtures will also be provided within the units. These include grab bars to provide support, ramp at the unit entrance to assist movement, bigger switches and an alert alarm system.
