delightful homes
HDB’S SALES EXERCISES • JULY 2014

Matilda COURT
Live Amid Lush Greenery

Matilda Court is located along Sumang Lane and comprises 10 residential blocks, each 17 storeys in height. You can take your pick from the 1,162 units of 2-, 3-, 4- and 5-room Standard Flats offered in this development.

The name “Matilda Court” is inspired by the historical Matilda House located in Punggol Town and the lush green spine that forms the heart of the development.
Courtly Residences

The central landscaped space in Matilda Court offers a wide array of facilities. You can choose to work out at the adult and elderly fitness corners or watch the children have fun at the children’s playgrounds. Alternatively, you can catch up with your friends and neighbours at the resting shelters and precinct pavilion found within the development.

You will also find daily conveniences within easy reach as Matilda Court will come with an eating house, a supermarket and shops. In addition, the rooftop gardens atop the commercial block and the multi-storey car park offer additional venues for some quiet respite.

Eco-Friendly Living

Matilda Court is designed to fulfil the vision of establishing Punggol as an Eco-Town. To support this vision, the development has several eco-friendly features:

• Separate chutes are provided for recyclable waste
• Motion sensor controlled energy efficient lighting is installed at staircases to reduce energy consumption
• Regenerative lifts are used to reduce energy consumption
• Eco-pedestals are used in bathrooms to encourage water conservation
• Rainwater harvesting system is provided to store rainwater for washing of common areas
• ABC Waters design features are incorporated to clean rainwater and beautify the landscape
• Bicycle stands are provided to encourage cycling as an environmentally friendly form of transport
• Sustainable and recycled products are used in the development
Alluring Homes

Matilda Court offers 2-, 3-, 4- and 5-room Standard Flats. All these flats will come with three-quarter height windows in the living/ dining area and half-height windows in other rooms.

The flats at Matilda Court will come with floor finishes in the kitchen, household shelter, service yard and bathrooms. Wall tiles will also be provided in the bathroom and kitchen. For added convenience, you may opt in to have floor finishes installed in the living/ dining room and bedrooms of your selected flat. You may also opt in to have sanitary fittings installed in the bathrooms – wash basin, water tap and shower mixer. These sanitary fittings, together with internal doors, will be offered as a package. The cost of installing these optional components will be added to the selling price of the flat.

To provide a sense of spaciousness and greater flexibility in furniture layout and design, all 3-, 4- and 5-room flats will come with an open kitchen concept. You can carry out the necessary extensions to the electrical, water and gas points provided in the kitchen as part of your renovation plans. Alternatively, you may opt in to have a partition wall installed between the living/ dining area and kitchen. The cost of this optional wall will be added to the selling price of the flat.
