A Vibrant Square

Bounded by Buangkok Link and Buangkok Crescent, Buangkok Square comprises four 16-storey high residential blocks and offers 725 units of 2-, 3- and 4-room Standard Flats.

At Buangkok Square, residents can enjoy the dynamic and bustling new Neighbourhood Centre within the development.
Integrated Living

You can also take advantage of the wide range of recreational facilities offered for both the young and old. Children can enjoy some fun and games at the playground while the adults and elderly keep fit at the fitness stations. A precinct pavilion, a plaza and some rest shelters are also provided for gatherings or rest and relaxation.

A Neighbourhood Centre comprising shops, a foodcourt, food outlets, a supermarket and enrichment centres, will be integrated within the development. It offers a diverse array of food and shopping choices right at your doorstep. In addition, a community plaza located in front of the Neighbourhood Centre will serve as a great place to meet up and connect with other residents.

A neighbourhood park lies adjacent to Buangkok Square. Besides having facilities like playgrounds, fitness stations and rest shelters, there will also be educational sculptures from which children can learn exciting facts about local history.
Eco-Friendly Living

To encourage a “green” lifestyle, Buangkok Square will have several eco-friendly features:

- Separate chutes for recyclable waste
- Motion sensor controlled energy efficient lighting at staircases to reduce energy consumption
- Regenerative lifts to reduce energy consumption
- Eco-pedestals in bathrooms to encourage water conservation
- Bicycle stands to encourage cycling as an environmentally friendly form of transport
- Use of sustainable and recycled products in the development

Charming Homes

Buangkok Square offers 2-, 3- and 4-room Standard Flats. These flats will come with three-quarter height windows in the living/ dining area and half-height windows in other rooms.

The flats at Buangkok Square will come with floor finishes in the kitchen, household shelter, service yard and bathrooms. Wall tiles will also be provided in the bathroom and kitchen. For added convenience, you may opt in to have floor finishes installed in the living/ dining room and bedrooms of your selected flat. You may also opt in to have sanitary fittings installed in the bathrooms – wash basin, water tap and shower mixer. These sanitary fittings, together with internal doors, will be offered as a package. The cost of installing these optional components will be added to the selling price of the flat.

To provide a sense of spaciousness and greater flexibility in furniture layout and design, the 3- and 4-room flats will come with an open kitchen concept. You can carry out the necessary extensions to the electrical, water and gas points provided in the kitchen as part of your renovation plans. Alternatively, you may opt in to have a partition wall installed between the living/ dining area and kitchen. The cost of this optional wall will be added to the selling price of the flat.
