Yung Ho Spring I and Yung Ho Spring II are located along Yung Ho Road. These two developments comprise five residential blocks ranging from 14 to 20 storeys, offering 907 units of 2-, 3- and 4-room Standard Flats.

The names “Yung Ho Spring I” and “Yung Ho Spring II” reflect the developments’ location and lush, green landscape.
Fresh beginnings

Take time to enjoy the multitude of recreational facilities available in Yung Ho Spring I and Yung Ho Spring II. Children can have fun at the playgrounds while adults get a workout at the adult and elderly fitness stations.

Precinct pavilions and outdoor seats serve as ideal locations for residents to gather and interact with one another. In addition, the rooftop gardens above both multi-storey car parks offer additional venues for quiet respite.

You will also find daily conveniences within easy reach as Yung Ho Spring I will come with an eating house, a minimart and shops.
Eco-Friendly Living

To encourage a “green” lifestyle, Yung Ho Spring I and Yung Ho Spring II will have several eco-friendly features:

• Separate chutes for recyclable waste
• Motion sensor controlled energy efficient lighting at staircases to reduce energy consumption
• Regenerative lifts to reduce energy consumption
• Eco-pedestals in bathrooms to encourage water conservation
• Bicycle stands to encourage cycling as an environmentally friendly form of transport
• Use of sustainable and recycled products in the development

Delightful Homes

Yung Ho Spring I offers 2-, 3- and 4-room Standard Flats while Yung Ho Spring II offers 2- and 3-room Standard Flats. All these flats will come with three-quarter height windows in the living/dining area and half-height windows in other rooms.

The flats at Yung Ho Spring I & Yung Ho Spring II will come with floor finishes in the kitchen, household shelter, service yard and bathrooms. Wall tiles will also be provided in the bathroom and kitchen. For added convenience, you may opt in to have floor finishes installed in the living/dining room and bedrooms of your selected flat. You may also opt in to have sanitary fittings installed in the bathrooms – wash basin, water tap and shower mixer. These sanitary fittings, together with internal doors, will be offered as a package. The cost of installing these optional components will be added to the selling price of the flat.

To provide a sense of spaciousness and greater flexibility in furniture layout and design, all the 3- and 4-room flats will come with an open kitchen concept. You can carry out the necessary extensions to the electrical, water and gas points provided in the kitchen as part of your renovation plans. Alternatively, you may opt in to have a partition wall installed between the living/dining area and kitchen. The cost of this optional wall will be added to the selling price of the flat.
