Vibrant Living

Hougang RiverCourt is bounded by Tampines Road, Hougang Avenue 7 and Hougang Street 32. It comprises two 19-storey residential block and offers a total of 285 units of 4-, 5-room, and 3Gen flats.

Hougang RiverCourt features a central roof garden flanked by residential blocks. This creates a courtyard in the heart of the development. The courtyard space and the development’s proximity to Serangoon Reservoir give inspiration to the name, Hougang RiverCourt.
Important Notes

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/facilities (such as childcare centres, elderly-related facilities, education centres, residents’ committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks or stand-alone community buildings.

To facilitate your flat selection, we have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans in this brochure. As the information provided is based on the current planning intent of the relevant government agencies, they are indicative only and are subject to review from time to time.
Integrated Spaces

Hougang RiverCourt will be integrated with a neighbourhood centre. A roof garden extends over the roof of the neighbourhood centre and multi-storey car park to become a lush and spacious landscape deck. It will house a variety of recreational and communal activities such as a children's playground, fitness corners, rest shelters, seats and pergolas. There will also be viewing decks to give residents a panoramic view of the Serangoon Reservoir.

Eco-Friendly Living

To encourage a “green” lifestyle, Hougang RiverCourt will have several eco-friendly features:

- Separate chutes for recyclable waste
- Motion sensor controlled energy efficient lighting at staircases to reduce energy consumption
- Regenerative lifts to reduce energy consumption
- Eco-pedestals in bathrooms to encourage water conservation
- Bicycle stands to encourage cycling as an environmentally friendly form of transport
- Facilitate the Car-sharing scheme by making parking spaces available for shared cars
- Use of sustainable and recycled products in the development

Delightful Homes

Hougang RiverCourt offers 4-, 5-room and 3Gen flats, all of which come with three-quarter height windows at the living area and half-height windows in other rooms.

The flats will come with floor finishes in the kitchen, household shelter, service yard, and bathrooms. Wall tiles will also be provided in the bathroom and kitchen. Laminated UPVC door frames will be provided for the bathrooms.

All new HDB flats have Universal Design features such as wider corridors, ramps instead of steps to allow for ageing in place.
Optional Component Scheme

The Optional Component Scheme is offered on an opt-in basis, to provide convenience for our buyers. The cost of the packages is added to the selling price of your selected flat. The Optional Component Scheme packages for the flats are listed below:

- Flooring in the living/dining room and bedrooms
- Internal doors (laminated UPVC folding doors for bathrooms and laminated semi-solid timber doors at bedrooms) and sanitary fittings in the bathrooms (wash basin with tap mixer/ vanity top* with tap mixer and shower set with bath/shower mixer)
*for attached bathroom of 5-room and 3Gen flats
- Kitchen Partition Wall

To provide buyers greater flexibility in terms of layout and design, all the flats will come with an open kitchen concept. You can carry out the necessary extensions to the electrical, water and gas points provided in the kitchen as part of your renovation plans.

You may opt-in to have a partition wall installed between the living/dining area and kitchen, if you do not want the open kitchen concept.

Applicants are encouraged to visit the place before booking a flat.

Notes:
All proposed developments are subject to change and planning approval.
The proposed facilities and their locations as shown are indicative only. The proposed facilities may include other ancillary uses allowed under URA’s prevailing Development Control guidelines. For example, places of worship may also include columbarium as an ancillary use, while community centres may also include childcare centres. The implementation of the facilities is subject to review from time to time by the relevant authorities.

The use of the void deck in any apartment block, common property (such as precinct pavilion), car park or stand-alone community building for future amenities/facilities (such as childcare centres, elderly-related facilities, education centres, residents’ committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities is subject to review from time to time.

The information contained herein is subject to change at any time without notice and cannot form part of an offer or contract. While reasonable care has been taken in providing this information, HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.
