HDB SALES LAUNCH
MAY 2016

Senja Heights
Urban Oasis

Senja Heights comprises two residential blocks which house 552 units of 2-room Flexi, 3-, and 4-room Flats. One block is 18 storeys high and the other is a staggered block with height ranging from 32 to 38 storeys. This development is the tallest in its vicinity.

Please refer to the site plan for the facilities to be provided in this development. As this is a public housing development, facilities in this project will be opened to the public.
Important Notes

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/facilities (such as childcare centres, elderly-related facilities, education centres, residents’ committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks or stand-alone community buildings.

To facilitate your flat selection, we have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans in this brochure. As the information provided is based on the current planning intent of the relevant government agencies, they are indicative only and are subject to review from time to time.

Eco-Friendly Living

To encourage a ‘green’ lifestyle, Senja Heights will have several eco-friendly features:

- Separate chutes for recyclable waste
- Motion sensor controlled energy efficient lighting at staircases to reduce energy consumption
- Regenerative lifts to reduce energy consumption
- Eco-pedestals in bathrooms to encourage water conservation
- Bicycle stands to encourage cycling as an environmentally friendly form of transport
- Parking spaces to facilitate car-sharing schemes
- Use of sustainable and recycled products in the development

Contemporary Homes

Senja Heights offers 2-room Flexi, 3-, and 4-room flats.

The 2-room Flexi flats come in 2 sizes: 36 sqm and 45 sqm, and are available either on a 99-year lease or short-lease. These flats will come with:

- floor finishes in the kitchen, household shelter and bathroom
- wall tiles provided in the bathroom and kitchen
- a sliding partition/door for the bedroom and folding bathroom door

As the 2-room Flexi flats on short leases are meant for the elderly, they will be fitted with grab bars.

The 3- and 4-room flats will come with floor finishes in the kitchen, household shelter, service yard, and bathrooms. Wall tiles will also be provided in the bathroom and kitchen.

Some 4-room flats in Senja Heights come with a balcony in the living room.

All new HDB flats have Universal Design features such as wider corridors, ramps instead of steps to allow for ageing in place.

Optional Component Scheme

The Optional Component Scheme provides convenience for our buyers, and is offered on an opt-in basis. Please refer to the attached Optional Component Scheme leaflets for details.

The cost of the optional components will be added to the selling price of the flat.
