Delightful Retreat

Bedok South Horizon is located at the junction of Upper East Coast Road and Bedok South Road. Surrounded by quaint and lush neighbourhood, Bedok South Horizon sits near to the East Coast Park coastline. It is designed as an active suburban node that is well-connected and equipped with facilities for not just new but also existing residents in the vicinity. Its name signifies a fresh chapter for the residents and neighbourhood with this new development.

Bedok South Horizon comprises 8 residential blocks ranging from 16 to 18 storeys in height. Choose a home from 940 units of 2-room Flexi, 4-, and 5-room flats. As this is a public housing development, facilities in this project will be opened to the public.
Important Notes

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/facilities (such as childcare centres, elderly-related facilities, education centres, residents’ committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks or stand-alone community buildings.

To facilitate your flat selection, we have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans in this brochure. As the information provided is based on the current planning intent of the relevant government agencies, they are indicative only and are subject to review from time to time.
Notes:

Proposed Place of Worship includes examples like Church, Mosque, Chinese Temple, Hindu Temple, etc., subject to change and planning approval.

Proposed Civic & Community Institution includes examples like Community Centre/Club, Association, Home for the Aged, etc., subject to change and planning approval.

The proposed facilities and their locations as shown are indicative only. The proposed facilities may include other ancillary uses allowed under URA’s prevailing Development Control guidelines. For example, places of worship may also include columbarium as an ancillary use, while community centres may also include childcare centres.

The implementation of the facilities is subject to review from time to time by the relevant authorities.

The information contained herein is subject to change at any time without notice and cannot form part of an offer or contract. While reasonable care has been taken in providing this information, HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.
Eco-Friendly Living

To encourage a ‘green’ lifestyle, Bedok South Horizon will have several eco-friendly features:

- Separate chutes for recyclable waste
- Motion sensor-controlled energy efficient lighting at staircases to reduce energy consumption
- Regenerative lifts to reduce energy consumption
- Eco-pedestals in bathrooms to encourage water conservation
- Bicycle stands to encourage cycling as an environmentally friendly form of transport
- Parking spaces to facilitate car-sharing schemes
- Use of sustainable and recycled products in the development

Beautiful Homes

Bedok South Horizon offers 2-room Flexi, 4-, and 5-room flats.

The 2-room Flexi flats come in 2 sizes: 36 sqm and 45 sqm, and are available either on a 99-year lease or short-lease. These flats will come with

- floor finishes in the kitchen, household shelter, and bathroom
- wall tiles provided in the bathroom and kitchen
- sliding partition/ door for the bedroom and folding bathroom door

As the 2-room Flexi flats on short leases are meant for the elderly, they will be fitted with grab bars.

The 4-, and 5-room flats will come with floor finishes in the kitchen, household shelter, service yard, and bathrooms. Wall tiles will also be provided in the bathrooms and kitchen.

All new HDB flats have Universal Design features such as wider corridors, ramps instead of steps to allow for ageing in place.

Optional Component Scheme

The Optional Component Scheme provides convenience for our buyers, and is offered on an opt-in basis. Please refer to the attached Optional Component Scheme leaflets for details. The cost of the optional components will be added to the selling price of the flat.
