HDB Sales Launch – May 2017
Green Havens

Marsiling Grove is bounded by Marsiling Road and Woodlands Street 13. This development comprises 5 residential blocks ranging from 25 to 30 storeys. You can choose from 1,246 units of 2-room Flexi, 3-, 4-, 5-room, and 3Gen flats.

Designed with a forest theme, the residential blocks will feature vertical fins, which mimic a grove of trees. This gives rise to the development name ‘Marsiling Grove’.

Please refer to the site plan for the facilities to be provided in Marsiling Grove. As this is a public housing development, facilities in this project will be opened to the public.
Important Notes

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/facilities (such as childcare centres, elderly-related facilities, education centres, residents' committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks or stand-alone community buildings.

To facilitate your flat selection, we have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans in this brochure. As the information provided is based on the current planning intent of the relevant government agencies, they are indicative only and are subject to review from time to time.
Eco-Friendly Living

To encourage a ‘green’ lifestyle, Marsiling Grove is designed with several eco-friendly features:

- Separate chutes for recyclable waste
- Motion sensor-controlled energy efficient lighting at staircases to reduce energy consumption
- Regenerative lifts to reduce energy consumption
- Eco-pedestals in bathrooms to encourage water conservation
- Bicycle stands to encourage cycling as an environmentally friendly form of transport
- Parking spaces to facilitate car-sharing schemes
- Use of sustainable and recycled products in the development
- Pneumatic Waste Conveyance System to provide cleaner waste disposal.

Delightful Homes

Marsiling Grove offers 2-room Flexi, 3-, 4-, 5-room, and 3Gen flats.

The 2-room Flexi flats come in 2 sizes: 36sqm and 45sqm, and are available either on a 99-year lease or short-lease. These flats come with:
- floor finishes in the kitchen, household shelter, and bathroom
- wall tiles provided in the bathroom and kitchen
- a sliding partition/door for the bedroom and folding bathroom door

As the 2-room Flexi flats on short-leases are meant for the elderly, they will be fitted with grab bars.

The 3-, 4-, 5-room, and 3Gen flats will come with floor finishes in the kitchen, household shelter, service yard, and bathrooms. Wall tiles will also be provided in the kitchen and bathrooms.

All new HDB flats have Universal Design features such as wider internal corridors, and ramps at the main entrance and bathrooms.

Optional Component Scheme

The Optional Component Scheme provides convenience for our buyers, and is offered on an opt-in basis. Please refer to the attached Optional Component Scheme leaflets for details.

The cost of the optional components will be added to the selling price of the flat.

Notes:
1. All proposed developments are subject to change and planning approval.
2. The proposed facilities and their locations as shown are indicative only. The proposed facilities may include other ancillary uses allowed under URA’s prevailing Development Control guidelines. For example, places of worship may also include columbarium as an ancillary use, while community centres may also include childcare centres. The implementation of the facilities is subject to review from time to time by the relevant authorities.
3. The use of the void deck in any apartment block, common property (such as precinct pavilion), car park or stand-alone community building for future amenities/facilities (such as childcare centres, elderly-related facilities, education centres, residents’ committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities is subject to review from time to time.
4. The residential blocks may be completed ahead of the proposed precinct facilities, so that flat buyers are able to collect the keys to their new homes earlier.
5. Unless otherwise indicated in the sales brochure, all facilities within the project, including but not limited to roof gardens and sky terraces (if any), will be open to the public.

This information contained herein is subject to change at any time without notice and cannot form part of an offer or contract. While reasonable care has been taken in providing this information, HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.

Applicants are encouraged to visit the place before booking a flat.

PACKAGE 3 offers elderly buyers the convenience of having a flat in move-in condition. It comprises:

ELDERLY-FRIENDLY FITTINGS

- Built-in kitchen cabinets with induction hob and cooker hood, kitchen sink, tap and dish drying rack.

Here are some features of an induction hob:
- It does not produce an open flame
- Its cooking zone cools down faster
- It is easier to clean than a gas hob
- As it has a flat surface, pots placed on an induction hob are less likely to topple over.

With these features, the use of the induction hob would promote a safer and cleaner environment.

- Kitchen cabinets come with mobile cabinets to provide knee space (especially for wheelchair users)

- Built-in bedroom wardrobe with a lower clothes hanging rod for easy reach

- An option to have a lower counter top height

OTHER FITTINGS

- Window grilles for safety and security
- Mirror
- Toilet roll holder
- Lighting (whole unit)
- Water heater

Buyers who opt for Package 3 must select Package 1.
