HDB’s Sales Launch – November 2017
Live Amid Greenery

Fernvale Glades is bounded by Sengkang West Way and Sengkang West Road.

At Fernvale Glades, you can choose from 1,300 units of 2-room Flexi, 3-, 4-, 5-room, and 3Gen flats, housed in 10 residential blocks which are 14-storeys. One of these blocks will also house some rental flats. There will be 2 additional residential blocks of rental flats, making a total of 12 residential blocks in this project.

Inspired by forest glades, the development features open green spaces, which serve as ideal venues for relaxation and recreational activities.

Please refer to the site plan for the facilities to be provided in Fernvale Glades. The facilities in this development will be opened to the public.
Important Notes

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/facilities (such as childcare centres, elderly-related facilities, education centres, residents’ committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks or stand-alone community buildings.

To facilitate your flat selection, we have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans in this brochure. As the information provided is based on the current planning intent of the relevant government agencies, they are indicative only and are subject to review from time to time.

Notes:

- Proposed Civic & Community Institution includes examples like Community Centre/Club, Association, Home for the Aged, etc., subject to change.

The 3-, 4-, 5-room, and 3Gen flats will come with:

- Floor finishes in the living/dining room, bedrooms, kitchen, household shelter, service yard, and bathrooms
- Wall tiles in the kitchen and bathrooms

**Optional Component Scheme**
