HDB’s Sales Launch – November 2017
A Green Haven

Tampines GreenCourt is bounded by Tampines North Drive 2, Tampines Street 62, and Tampines Avenue 12. This development comprises 19 residential blocks with heights ranging from 7 to 16 storeys. You can choose your home from 2,192 units of 2-room Flexi, 3-, 4-, and 5-room flats.

This development is nestled within the tranquil living environment of Tampines North, with several nearby parks.

Please refer to the site plan to find out more about the facilities in Tampines GreenCourt. The facilities in this project will be opened to the public.
Important Notes

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/facilities (such as childcare centres, elderly-related facilities, education centres, residents’ committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks or stand-alone community buildings.

To facilitate your flat selection, we have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans in this brochure. As the information provided is based on the current planning intent of the relevant government agencies, they are indicative only and are subject to review from time to time.

Eco-Friendly Living

To encourage a ‘green’ lifestyle, Tampines GreenCourt is designed with several eco-friendly features:

- Separate chutes for recyclable waste
- Motion sensor-controlled energy efficient lighting at staircases to reduce energy consumption
- Regenerative lifts to reduce energy consumption
- Eco-pedestals in bathrooms to encourage water conservation
- Bicycle stands to encourage cycling as an environmentally friendly form of transport
- Parking spaces to facilitate car-sharing schemes
- Use of sustainable and recycled products in the development
- Pneumatic Waste Conveyance System to provide cleaner waste disposal

Modern Homes

To boost construction productivity, Tampines GreenCourt will be constructed using the Prefabricated Prefinished Volumetric Construction (PPVC) method. Tampines GreenCourt offers 2-room Flexi, 3-, 4-, and 5-room flats.

The 2-room Flexi flats come in 2 sizes: 38sqm and 45sqm, and are available either on a 99-year lease or short-lease. These flats will come with:

- Floor finishes in the living/ dining room, bedroom, kitchen, household shelter, and bathroom
- Wall tiles in the kitchen and bathroom
- A sliding partition/ door for the bedroom and folding bathroom door
- Sanitary fittings, i.e. wash basin with tap mixer and shower set with bath/ shower mixer, and water closet suite
The 2-room Flexi flats on short-leases, which are meant for the elderly, will be fitted with grab bars. The 3-, 4-, and 5-room flats will come with:

- Floor finishes in the living/dining room, bedrooms, kitchen, household shelter, service yard, and bathrooms
- Wall tiles in the kitchen and bathrooms
- Internal doors for bedroom(s) and bathrooms
- Sanitary fittings, i.e. wash basin with tap mixer and shower set with bath/shower mixer, and water closet suite

This will reduce the renovation works required, and home buyers can move into their flats sooner.

All new HDB flats have Universal Design features such as wider internal corridors, and ramps at the main entrance and bathrooms.

**Optional Component Scheme**

The flats in Tampines GreenCourt come with full floor finishes, internal doors, and sanitary fittings, as they will be constructed using the Prefabricated Prefinished Volumetric Construction (PPVC) method.

Elderly buyers of short-lease 2-room Flexi flats can opt in for elderly friendly and other fittings under the Optional Component Scheme (OCS). Please refer to the attached Optional Component Scheme leaflet for 2-room Flexi flats in PPVC projects for details.

If an elderly buyer opts in for the OCS, the cost of the optional components will be added to the price of the 2-room Flexi flat.

**OCS PACKAGE (FOR SHORT-LEASE 2-ROOM FLEXI FLATS ONLY)**

Elderly buyers of short-lease 2-room Flexi flats who wish to enjoy the convenience of having a flat in move-in condition can opt in for the following:

### ELDERLY FRIENDLY FITTINGS

- Built-in kitchen cabinets with induction hob and cooker hood, kitchen sink, tap and dish drying rack.
- An option to have a lower counter top height

Here are some features of an induction hob:
- It does not produce an open flame
- Its cooking zone cools down faster
- It is easier to clean than a gas hob
- As it has a flat surface, pots placed on an induction hob are less likely to topple over.

With these features, the use of the induction hob would promote a safer and cleaner environment.

- Kitchen cabinets come with mobile cabinets to provide knee space (especially for wheelchair users)
- Built-in bedroom wardrobe with a lower clothes hanging rod for easy reach

### OTHER FITTINGS

- Window grilles for safety and security
- Mirror
- Toilet roll holder
- Lighting (whole unit)
- Water heater

The cost of this OCS package will be added to the selling price of the selected flat.
