Rustic Living

Fernvale Acres is bounded by Fernvale Lane and Yio Chu Kang Road. The development comprises 2 residential blocks that are 23-storey in height, and offers 330 units of 4- and 5-room flats.

Fernvale Acres is designed to reflect the plantations from the site’s farming past, which is conveyed through the use of rustic colours, textures, and lush planting.

Please refer to the site plan for the facilities to be provided in Fernvale Acres. Facilities in this development will be opened to the public.
Important Notes

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/facilities (such as childcare centres, elderly-related facilities, education centres, residents’ committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks or stand-alone community buildings.

To facilitate your flat selection, we have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans in this brochure. As the information provided is based on the current planning intent of the relevant government agencies, they are indicative only and are subject to review from time to time.
Eco-Friendly Living

To encourage a ‘green’ lifestyle, Fernvale Acres is designed with several eco-friendly features:

- Separate chutes for recyclable waste
- Motion sensor-controlled energy efficient lighting at staircases to reduce energy consumption
- Regenerative lifts to reduce energy consumption
- Eco-pedestals in bathrooms to encourage water conservation
- Bicycle stands to encourage cycling as an environmentally friendly form of transport
- Parking spaces to facilitate car-sharing schemes
- Use of sustainable and recycled products in the development

Chic Homes

Fernvale Acres offers 4- and 5-room flats. The flats come with full floor finishes, internal doors, and sanitary fittings:

- Floor tiles in the living/dining room, kitchen, household shelter, service yard, and bathrooms
- Vinyl strip flooring in the bedrooms
- Wall tiles in the kitchen and bathrooms
- Internal doors for bedrooms and bathrooms
- Sanitary fittings, i.e. wash basin with tap mixer, shower set with bath/shower mixer, and water closet suite

While reasonable care has been taken in providing this information, HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.

Notes:
1. All proposed developments are subject to change and planning approval.
2. The proposed facilities and their locations as shown are indicative only. The proposed facilities may include other ancillary uses allowed under URA’s prevailing Development Control guidelines. For example, places of worship may also include columbarium as an ancillary use, while community centres may also include childcare centres, and schools may be upgraded or built with higher-rise blocks. The implementation of the facilities is subject to review from time to time by the relevant authorities.
3. The use of the void deck in any apartment block, common property (such as precinct pavilion), car park or stand-alone community building for future amenities/facilities (such as childcare centres, elderly-related facilities, education centres, residents’ committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities is subject to review from time to time.
4. The residential blocks may be completed ahead of the proposed precinct facilities, so that flat buyers are able to collect the keys to their new homes earlier.
5. Unless otherwise indicated in the sales brochure, all facilities within the project, including but not limited to roof gardens and sky terraces (if any), will be open to the public.
