Fernvale Vines

HDB’s Sales Launch – February 2019
Garden Sanctuary
Fernvale Vines will be located along Fernvale Street and Fernvale Road.

The name ‘Fernvale Vines’ symbolises the growth and vibrancy of Sengkang town.

You can choose your home from 933 units of 2-room Flexi, 3-, 4-, 5-room, and 3Gen flats, located across 6 residential blocks ranging from 17 to 24 storeys in height.

Please refer to the site plan for the facilities to be provided in Fernvale Vines. Facilities in this development will be accessible by the public.
Important Notes

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/facilities (such as childcare centres, elderly-related facilities, education centres, residents’ committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks or stand-alone community buildings.

To facilitate your flat selection, we have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans in this brochure. As the information provided is based on the current planning intent of the relevant government agencies, they are indicative only and are subject to review from time to time.
Eco-Friendly Living

To encourage a ‘green’ lifestyle, Fernvale Vines will have several eco-friendly features:

• Separate chutes for recyclable waste
• Regenerative lifts to reduce energy consumption
• Bicycle stands to encourage cycling as an environmentally friendly form of transport
• Parking spaces to facilitate car-sharing schemes
• Use of sustainable and recycled products in the development
• ABC Waters design features to clean rainwater and beautify the landscapes

Smart Lighting

Fernvale Vines will feature Smart Lighting in common areas to reduce energy usage. This will contribute to a more liveable, efficient, sustainable, and safe living environment.

Bright Homes

To boost construction productivity, Fernvale Vines will be built using the Prefabricated Prefinished Volumetric Construction (PPVC) method. It offers 2-room Flexi, 3-, 4-, 5-room, and 3Gen flats.

Flat finishes include:

<table>
<thead>
<tr>
<th>2-room Flexi (38sqm and 45sqm)</th>
<th>3-, 4-, 5-room, and 3Gen</th>
</tr>
</thead>
<tbody>
<tr>

APPROX. FLOOR AREA 120 sqm
(Inclusive of Internal Floor Area of 115 sqm and Air-con Ledge)
The information contained herein is subject to change at any time without notice and cannot form part of an offer or contract. While reasonable care has been taken in providing this information, HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.

Notes:
1. All proposed developments are subject to change and planning approval.
2. "This site, which is currently zoned as "Educational Institution" in URA’s gazetted Master Plan 2014, will be rezoned to 'Residential' (subject to detailed planning).
3. The proposed facilities and their locations as shown are indicative only. The proposed facilities may include other ancillary uses allowed under URA’s prevailing Development Control guidelines. For example, places of worship may also include columbarium as an ancillary use, while community centres may also include childcare centres, and schools may be upgraded or built with higher-rise blocks. The implementation of the facilities is subject to review from time to time by the relevant authorities.
4. The use of the void deck in any apartment block, common property (such as precinct pavilion), car park or stand-alone community building for future amenities/facilities (such as childcare centres, elderly-related facilities, places of worship may also include columbarium as an ancillary use, while community centres may also include childcare centres, and schools may be upgraded or built with higher-rise blocks. The implementation of the facilities is subject to review from time to time by the relevant authorities.
5. The residential blocks may be completed ahead of the proposed precinct facilities, so that flat buyers are able to collect the keys to their new homes earlier.
6. Unless otherwise indicated in the sales brochure, all facilities within the project, including but not limited to roof gardens and sky terraces (if any), will be open to the public.

Disclaimer

1) HDB owns the copyright in all information, maps, and plans of this brochure.

2) The content provided in this brochure is not intended to form part of any offer or contract for the sale of flats. They are provided for your general information only, and are not statements or representations of fact.

3) Visual representations, such as pictures, art renderings, depictions, illustrations, photographs, drawings, as well as other graphic representations and references, are only artistic impressions. They are provided for your general information only, and are not representations of fact.

4) The information on this project, including but not limited to the dimensions, areas, plans, colour schemes, descriptions, and specifications, are subject to change or review without notice at our sole discretion or if required by the relevant authorities.

5) We may at any time, without any notice and at our sole discretion, change any aspect of this project, including but not limited to the omission, amalgamation, increase, or reduction of amenities and facilities, colour schemes, design features, and specifications.

6) We will not entertain any request for alteration of the layout or specifications of a flat to suit individual needs.

7) While reasonable care has been taken in providing the information in this brochure, we do not warrant its accuracy. We shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.

8) The floor areas shown are scaled strata areas and subject to final survey.

9) The surrounding land use, proposed facilities and their locations as shown in the maps and plans are indicative only and subject to change. They may include ancillary uses allowed under the Urban Redevelopment Authority’s prevailing Development Control guidelines.

10) We reserve the right to use or allow the use of
    • the void deck in any Apartment block,
    • Car park;
    • Common property (such as precinct pavilion); or
    • Standalone community building,
    for:
    • Future amenities/ facilities (such as child care centres, elderly-related facilities, education centres, residents’ committee centres, and day activity centres);
    • Commercial facilities (such as shops and eating houses);
    • Mechanical and electrical rooms; and
    • Such other facilities as we deem fit.

11) This brochure does not and is not intended to provide full and complete information of the guidelines or requirements of the relevant authorities. You are advised to approach the relevant authorities directly for full information and details of these guidelines and requirements.
The 2-room Flexi flats are available either on a 99-year lease or short-lease.

All 2-room Flexi flats come with:

- floor finishes in the living/ dining room, bedroom, kitchen, household shelter and bathroom
- wall tiles in the kitchen and bathroom
- sliding partition/ door for bedroom; folding bathroom door
- sanitary fittings, i.e. wash basin with tap mixer and shower set with bath/ shower mixer, and water closet suite

Grab bars will be installed for all short-lease flats to assist elderly buyers in moving around the flats.

Details on the Optional Component Scheme (OCS) package for short-lease 2-room Flexi flats are in the next page.
Elderly buyers of short-lease 2-room Flexi flats who wish to enjoy the convenience of having a flat in move-in condition can opt in for the following:

**ELDERLY FRIENDLY FITTINGS**

- Built-in kitchen cabinets with induction hob and cooker hood, kitchen sink, tap and dish drying rack.

Here are some features of an induction hob:

- It does not produce an open flame
- Its cooking zone cools down faster
- It is easier to clean than a gas hob
- As it has a flat surface, pots placed on an induction hob are less likely to topple over.

With these features, the use of the induction hob would promote a safer and cleaner environment.

- Kitchen cabinets come with mobile cabinets to provide knee space (especially for wheelchair users)
- Built-in bedroom wardrobe with a lower clothes hanging rod for easy reach

- An option to have a lower counter top height

<table>
<thead>
<tr>
<th>Option A (Default):</th>
<th>Option B:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Bottom Cabinet at 850mm height (from floor level)</td>
<td>Bottom Cabinet at 800mm height (from floor level)</td>
</tr>
<tr>
<td>Top Cabinet at 1,500mm height (from floor level)</td>
<td>Top Cabinet at 1,200mm height (from floor level)</td>
</tr>
</tbody>
</table>

These cabinets come in default dimensions based on industry standards.

These cabinets are lowered to suit the needs of wheelchair bound residents.

Note: This drawing is not drawn to scale. All dimensions are approximate only.

**OTHER FITTINGS**

- Window grilles for safety and security
- Mirror
- Toilet roll holder
- Lighting (whole unit)
- Water heater

The cost of this OCS package will be added to the selling price of the selected flat.

Disclaimer: All displays and images shown here are strictly for reference only and are subject to change without notice. The displays and images shown here are conceptual and indicative only and the colour schemes, design, dimensions, type, tonal differences and specifications may differ from the actual fittings installed in the flat.

November 2018
