Taking design cues from the rainforest, Treegrove@Woodlands fuses the natural environment with modern comforts to make you feel right at home in a tropical climate. The north-south orientation of the blocks and lush green surrounds create a pleasant and refreshing environment that is well-protected from the heat.

Like sturdy trees rising above a landscape of lush greenery, seven 15- and 16-storey residential blocks form three distinct clusters to create open spaces for recreation and private spaces for relaxation. Windows branch out from a central stylised trunk design on each block, complete with rain canopies on every window to shield each unit from the rain.

Driving into Treegrove@Woodlands, you will be greeted by an entrance plaza adorned with ornamental plants and sheltered by a sweeping green canopy. From here, you can head towards the multi-storey carpark or drive along a tree-lined driveway which leads to the main drop-off porch. With sheltered walkways connecting all blocks to the drop-off porch and multi-storey carpark, you are well-sheltered every step of the way.
For daily shopping and dining options, head over to the 888 Plaza right next door. For more variety and transport links, head over to the Woodlands Regional Centre which hosts Causeway Point, Woodlands Civic Centre, Woodlands MRT Station and bus interchange. Other amenities just minutes away include Admiralty Place and Admiralty MRT Station. For added convenience, there are plans to build a park connector that connect Treegrove@Woodlands directly to these places.

Parents with school-going children will appreciate the wide choice of schools in the town. Besides a range of primary and secondary Schools, there is also the Singapore Sports School, Innova Junior College and Republic Polytechnic.

For those who drive, the Seletar Expressway (SLE) and Bukit Timah Expressway (BKE) allow for easy access to all parts of the island.
PLEASURABLE PASTIMES

The landscape of Treegrove@Woodlands is designed to provide a variety of spaces for the different lifestyle needs of residents. Children will have fun at the playground while different fitness stations are tailored to both adults and the elderly. Open green spaces and a precinct pavilion provide ideal spots for social gatherings and recreational activities.

For more leisurely pursuits, stroll along the meandering footpaths to the cosier spaces within the development where you can enjoy the quiet ambience away from the hustle of the city. Sit down for a casual chat or relax under the cool canopy provided by the lush green planting.

Other recreational spots located within the town include Woodlands Town Garden, Admiralty Park and Woodlands Sports & Recreation Centre. Come weekends, take the kids to the Singapore Zoo or the enchanting Night Safari for a fun and educational excursion.

INDICATIVE PRICE RANGE

A selection of Studio Apartments, 3-room and 4-room Premium flats is available at Treegrove@Woodlands. All blocks are oriented north-south.

Designed for those aged 55 years and above, each Studio Apartment will be in ready-to-move-in condition with full floor finishes, elderly-friendly fixtures, built-in wardrobe, kitchen cabinets and more.

Each 3-room and 4-room Premium flat is fitted with glazed porcelain ceramic floor tiles in the living/dining area, timber strip flooring in the bedroom, ceramic wall/floor tiles in the kitchen and bathroom. Quality sanitary fittings are provided in the bathrooms.

All units are provided with three-quarter height windows in the living/dining areas and bedrooms. Some units come with a corner window in the master bedroom.

A balcony is provided in the living room of some 4-room flats.
