Compassvale Ancilla is bounded by Sengkang East Road, Sengkang East Avenue and Sengkang Central. The development comprises ten 15-storey residential blocks, offering 1,036 units of Studio Apartments and 3-, 4-, 5-room Premium flats.

The Compassvale neighbourhood is designed with the theme of a fishing village and a series of developments are named after seashells to tie in with this theme. These include Aspella, Atrina and Tivela, all of which have been completed. Compassvale Ancilla is also named after a species of seashells called Ancillas. These beautiful shells are often made into ornaments and other decorative items. The development’s landscape is designed with organic patterns and swirls reminiscent of the form of these shells.
Abundant facilities

Compassvale Ancilla features a beautiful meandering green spine embellished with lush planting, making it a perfect place for relaxing strolls. This is interspersed with circular pockets of spaces which are ideal for small group interactions and gatherings.

Commercial facilities such as shops, a supermarket and an eating house are provided within the development to give added convenience to the residents. Those who wish to exercise and keep fit may make use of the outdoor exercise spaces like the children's playgrounds and fitness stations. With a Residents' Committee Centre and resting shelters, residents get to choose from a variety of spaces for communal bonding. A childcare centre is also located within the development.

Compassvale Ancilla is located next to a park which will feature a variety of facilities like fitness stations and shelters for both play and rest. An arrival plaza serves as an inviting node to welcome visitors to the park. In addition to the rain gardens and butterfly gardens, outdoor classrooms and exploratory footpaths enable educational enjoyments and enriching interactions with Mother Nature.
Array of town amenities

Enjoy being a short drive away from the TPE, or walking distance from Buangkok MRT station and Renjong LRT station. Near the development is Kopitiam City, which hosts a supermarket, shops and eating outlets. More retail and dining options are available in Sengkang town with Compass Point, Kopitiam Square and Rivervale Mall. In addition, you may check out Sengkang's heartland shops in Rivervale Plaza by clicking on Where2Shop@HDB.

Recreational choices are available at Sengkang Sports and Recreation Centre as well as Sengkang Riverside Park where residents can partake in active sports or leisurely strolls. Schools nearby include Nan Chiau High School, Nan Chiau Primary School and North Vista Primary School. Alternatively, parents can look forward to the future school that will be in close proximity to the development.
