Hougang Parkview | 3-, 4- & 5-room Standard Flats

Enjoying a choice location next to Punggol Park and along Sungei Pinang, Hougang Parkview is sited along Upper Serangoon Crescent. This development comprises five residential blocks which range from 16 to 19 storeys. Choose from 752 units of 3-, 4- and 5-room Standard Flats.

The development is named Hougang Parkview to reflect its tranquil location by the park. Most units enjoy views of the lush Punggol Park, Sungei Pinang or the beautiful landscaping within Hougang Parkview itself.

Facilities for rest and rejuvenation

In order to optimise views of Sungei Pinang, Hougang Parkview’s residential blocks are arranged in a staggered manner to create open vistas towards the waters. The façade features pitched roofs, vertical lines and earth tones, creating a rhythmic pattern reminiscent of its natural surrounds.

Hougang Parkview is designed to facilitate communal and social interactions. At the heart of the development lies a central green space that hosts a range of recreational facilities catering to both the young and old. Enjoy outdoor activities at your doorstep, be it working out at the fitness stations designed for adults and the elderly, playing with the kids at the playground or taking a stroll amid the green surrounds. Seating areas integrated with shelters are placed within the development to face the park and waters, offering pockets of spaces for relaxation and quiet contemplation.

A Residents’ Committee Centre is sited within Hougang Parkview, providing yet another space for social bonding. Those with young children will enjoy the convenience of having a childcare centre located within the development.
Amenities within reach

Hougang Parkview is well located next to the adjacent Punggol Park. This neighbourhood park is developed with the theme “Family Leisure” and houses play and fitness equipment for active recreation, open lawn areas for picnics, a wooded area for leisurely strolls, a plaza area for taiqi and a community corner for relaxing. Take in fresh air as you enjoy the scenic views all around. A café is sited within the park.

With plans to provide look-out points with seats and shelters and a proposed park connector along the adjacent Sungei Punggol, look forward to plenty of recreational choices closer to home. Sungei Punggol Park Connector will be linked up to the proposed Hougang Walk along Hougang Avenue 10 which connects the major recreational activity nodes of Hougang Sports Complex, Town Centre and Punggol Park.

Within the rest of Hougang town, you can easily access all the conveniences and amenities that you need. Dining, shopping and entertainment pursuits can be met at a number of malls in Hougang, like Hougang Plaza, Kang Kar Mall, Hougang Mall, as well as many other shops at the Hougang Town Centre.
