Waterway Sunbeam® | 3-, 4- & 5-room Standard Flats

Located along My Waterway@Punggol and Punggol Drive, Waterway Sunbeam comprises five residential blocks ranging from 11 to 18 storeys in height. Choose from 661 units of 3-, 4- and 5-room Standard Flats.

The name ‘Waterway Sunbeam’ describes the development’s location by the eastern end of the waterway and also makes reference to the Malayan Sunbeam butterfly. The colours of the development’s facades draw inspiration from the characteristic silvery-white hues found on the wings of this butterfly.

Fresh excitement every day

Upon arrival at Waterway Sunbeam, a spacious drop-off porch welcomes you. This porch marks the start of a beautiful landscaped waterway where you can take a scenic stroll towards the waterfront and waterway. Take time to enjoy the rain gardens, dry streams, children’s playground and fitness stations found along the way.

Explore the rest of the development’s garden-like landscape via meandering footpaths and be delighted by the many facilities found in its midst. Choose to relax within the rotic garden or head to the small pockets of seating areas for intimate conversations. Larger social gatherings can be held at the precinct pavilion. Parents will be pleased with the education centre provided within this development.

The residential blocks are staggered in height to create a playful skyline and oriented to maximise views of the waterway.
