Waterfront Living
2-, 3- and 4-room Standard Flats

Fernvale Riverwalk is bounded by Sengkang West Avenue, Fernvale Link and Punggol Reservoir. This 20- to 22-storey high development consists of four residential blocks with 727 units of 2-, 3-, and 4-room Standard Flats.

The name Fernvale Riverwalk is inspired by nearby HDB developments such as Fernvale Rivergrove and Fernvale Riverbow.

Spaces for Relaxation and Bonding

Fernvale Riverwalk will come with a host of facilities such as children’s playgrounds, adult and elderly fitness stations, resting shelters and a precinct pavilion. You can chat with your family and friends or mingle with other residents amongst pockets of open green spaces located in the development. Alternatively, you can enjoy a leisure stroll along the boardwalk located next to the Punggol Reservoir.

A supermarket, an eating house and shops will be provided in the development so that you can shop or have a meal conveniently at your doorstep. A child care centre will also be located here.
Residents of Fernvale Riverwalk can visit the nearby Fernvale Point for their retail and dining needs. Alternatively, residents can visit Compass Point located at Sengkang Town Centre for more options. You can discover more heartland shops around Sengkang by logging on to Where2Shop@HDB.

Those seeking to keep fit can consider a jog through the Punggol Park Connector, which runs along the Punggol Reservoir. You can also visit Sengkang Sports & Recreation Centre, Sengkang Riverside Park and Anchorvale Community Club for more recreational choices.

Residents can commute with ease with the development located next to Layar LRT station. The Tampines Expressway (TPE) is also just a short drive away.

Pei Hwa Secondary School is a stone’s throw away from the development, while other schools nearby include Fernvale Primary School, Sengkang Green Primary School, Nan Chiau Primary School and Nan Chiau High School.
Refreshing Homes

Fernvale Riverwalk offers 2-, 3- and 4-room Standard Flats. All units will come with three-quarter height windows in the living/dining area and half-height windows in the other rooms. Some 4-room units will come with corner windows in the main bedroom.

The majority of the 2-room flats will be about 45 sqm (Type 2).

In addition, Fernvale Riverwalk also offers smaller 2-room flats at about 36 sqm (Type 1), to meet different needs and budgets. The bedroom will feature a full height laminated sliding door instead of the standard door. This enables greater flexibility in the use of space as the living room and bedroom can be combined.

The visuals below illustrate how you may, as part of your own renovation, better utilise the space available.

Note:
There are no comparable 2-room resale flats in the vicinity. The 3-room and 4-room resale comparables consist of standard and premium flats of about 6 to 11 years old. The differences in the attributes between the resale comparables and the BTO flats should be taken into account when making a comparison.

Optional Component Scheme

The flats will come with floor finishes in the kitchen, household shelter, service yard and bathrooms. Wall tiles will also be provided in the bathroom and kitchen. For added convenience, you may opt in to have floor finishes installed in the living/dining room and bedrooms of your selected flat. You may also opt in to have sanitary fittings in the bathrooms - wash basin, water tap and shower mixer. These sanitary fittings, together with internal doors, will be offered as a package.

The cost of installing these optional components will be added to the selling price of the flat.
