Ample Greenery
4- and 5-room Standard Flats

EastLawn @ Canberra is bounded by Canberra Walk and Canberra Street. This 13- to 14-storey high development consists of three residential blocks with 337 units of 4- and 5-room Standard Flats.

The name EastLawn @ Canberra is inspired by the development’s location at the eastern part of Sembawang town and the open lawn featured at the heart of this housing project.

Relax amid a garden setting

The central lawn will provide visual relief to residents as they explore the picturesque landscape. Here, you can relax in the resting shelters and unwind after a busy day at work, while the young ones have fun at the children’s playgrounds. Adult and elderly fitness stations will also be available for those wanting to keep fit. Complementing these recreational facilities will be a precinct pavilion where group activities can be conducted.

More recreational options can also be found at the rooftop garden above the multi-storey car park. Here, you can mingle with your family and friends at the pockets of green spaces or exercise at the activity plaza. Those with green fingers can also enjoy gardening at the community garden.
Connected to convenience

Residents of EastLawn @ Canberra can visit Sun Plaza, Sembawang Mall and Sembawang Shopping Centre for their shopping and dining needs. You can discover more heartland shops around Sembawang by logging on to Where2Shop@HDB.

You can enjoy a relaxing stroll or go for jog along the Simpang Kiri Park Connector. Alternatively, you can visit the nearby neighbourhood park for some outdoor fun. Sembawang Community Club is also a great place to pick up a new hobby or meet new friends.

Residents can take a bus to the town centre where the Sembawang MRT station and bus interchange are located.

Schools in the town include Wellington Primary School, Endeavour Primary School and Sembawang Primary and Secondary School.

Contemporary homes

EastLawn@ Canberra offers 4- and 5-room Standard Flats. All units will come with three-quarter height windows in the living/dining area and half-height windows in other rooms.

</tbody>
</table>

Note:
The resale comparables consist of standard flats of about 11 to 15 years old. The differences in attributes between the resale comparables and the BTO flats should be taken into account when making a comparison.

Optional Component Scheme

The flats will come with floor finishes in the kitchen, household shelter, service yard and bathrooms. Wall tiles will also be provided in the bathroom and kitchen. For added convenience, you may opt in to have floor finishes installed in the living/dining room and bedrooms of your selected flat. You may also opt in to have sanitary fittings installed in the bathrooms - wash basin, water tap and shower mixer. These sanitary fittings, together with internal doors, will be offered as a package. The cost of installing these optional components will be added to the selling price of your flat.

To provide a sense of spaciousness and greater flexibility in furniture layout and design, the flats will come with an open kitchen concept. You can carry out the necessary extensions to the electrical, water and gas points provided in the kitchen as part of your renovation plans. Alternatively, you may opt in to have a partition wall installed between the living/dining area and kitchen. The cost of this optional wall will be added to the selling price of the flat.
