Rich, Tropical Landscape

4-, 5-room Standard Flats

Bounded by Woodlands Drive 62 and Woodlands Drive 73, Admiralty Flora comprises four 14-storey high residential blocks and offers 402 units of 4- and 5-room Standard Flats.

The name “Admiralty Flora” takes inspiration from the lush landscaping found within the development, as well as its proximity to Greenwood Sanctuary @ Admiralty, where you can enjoy a host of outdoor activities.

A Sanctuary For You

Admiralty Flora offers a range of facilities that caters to residents of all ages. To wind down after a hectic day at work, you can take a break at the sitting areas set amid green spaces. Alternatively, you can choose to watch the children play in the children’s playground or work out at the adult and elderly fitness stations. The precinct pavilion found within the development serves as an ideal venue for social gatherings. You can also relax and rejuvenate at the roof top garden atop the multi-storey car park.

For added convenience, an eating house, a supermarket and shops will be located within the development.
Marsiling Greenview is located along Woodlands Street 13. You can take your pick from the 1,304 units of 2-, 3-, 4-, 5-room and 3Gen Standard Flats housed in eight residential blocks ranging from 18 to 32 storeys in height. One of these blocks will have some rental flats. In addition, there is another residential block of rental flats, making a total of nine residential blocks in this new precinct.

At Marsiling Greenview, residents can enjoy good views of the verdant landscape found within the development and the neighbouring town park. In addition, the crowns of the residential blocks are painted with various shades of green to mimic the green canopy found in the park.

Green and Vibrant

At Marsiling Greenview, you will be able to enjoy a wide range of recreational facilities located in the central green spine. You can choose to watch the children have fun at the playground or work out at the adult and elderly fitness corners and the hard court. Alternatively, you can catch up with your neighbours and friends at the rest shelters or the precinct pavilions. More facilities can be found at the roof garden of the multi-storey car park where you can make use of its community garden and sitting areas.

You will also find daily conveniences within easy reach as Marsiling Greenview will come with its own supermarket, eating house and shops. A Residents’ Committee Centre is also located within the development.
Eco-Friendly Living

To encourage a “green” lifestyle, Admiralty Flora and Marsiling Greenview are designed with several eco-friendly features:

- Separate chutes are provided for recyclable waste
- Motion sensor controlled energy efficient lighting is installed at staircases to reduce energy consumption
- Regenerative lifts are used to reduce energy consumption
- Eco-pedestals are used in bathrooms to encourage water conservation
- Bicycle stands are provided to encourage cycling as an environmentally friendly form of transport
- Sustainable and recycled products are used in the development

A Scenic Hub

Residents of Admiralty Flora can enjoy a satisfying meal and shop for daily groceries at the nearby Admiralty Place, 888 Plaza and Woodlands Mart. For leisure, you can take a stroll in Greenwood Sanctuary @ Admiralty located next door or participate in the activities held at the Woodlands Galaxy Community Club.

For residents of Marsiling Greenview, ample food and shopping amenities are available at Marsiling Point, an HDB neighbourhood centre. More options are available at Woodlands Civic Centre and Causeway Point. You can also keep fit at the neighbouring Town Park East and the nearby Sports and Swimming Complex, or pick up new hobbies at Marsiling Community Club.

You can discover more heartland shops around Woodlands by visiting Where2Shop@HDB.

Motorists are well connected to the rest of Singapore via the Bukit Timah and Seletar Expressways. Those who take public transport can make use of the bus interchange, as well as the Admiralty and Marsiling MRT stations conveniently located within the town.

Schools located in the town include Greenwood Primary School, Admiralty Primary and Secondary School and Marsiling Primary and Secondary School.
Contemporary Homes

Admiralty Flora offers 4- and 5-room Standard Flats, while Marsiling Greenview offers 2-, 3-, 4-, 5-room and 3Gen Standard Flats. All flats will come with three-quarter height windows in the living/dining area and half-height windows in other rooms. Some units in Admiralty Flora will come with three-quarter height windows in the bedrooms.

3Gen Flats were introduced to cater to multi-generation families living under one roof. The 3Gen Flats in Marsiling Greenview will have four bedrooms and three bathrooms (two en-suites), with an internal floor area of about 115 square metres.

Please note that the visual representation above includes interior design features or ideas. For instance, the artist’s impression of the living/dining room shows a feature wall made of glass in place of a non-load bearing wall. In the actual flat, a wall will be erected instead of the glass panel.

The indicative price range of these flats is tabulated below.

Optional Component Scheme

The flats will come with floor finishes in the kitchen, household shelter, service yard and bathrooms. Wall tiles will also be provided in the bathroom and kitchen. For added convenience, you may opt in to have floor finishes installed in the living/dining room and bedrooms of your selected flat. You may also opt in to have sanitary fittings installed in the bathrooms — wash basin, water tap and shower mixer. These sanitary fittings, together with internal doors, will be offered as a package. The cost of installing these optional components will be added to the selling price of the flat.

To provide a sense of spaciousness and greater flexibility in furniture layout and design, all the 3-, 4-, 5-room and 3Gen flats will come with an open kitchen concept. You can carry out the necessary extensions to the electrical, water and gas points provided in the kitchen as part of your renovation plans. Alternatively, you may opt in to have a partition wall installed between the living/dining area and kitchen. The cost of this optional wall will be added to the selling price of the flat.
